EXPERIENCE

FICER| Wᴏʀᴅᴘʀᴇss Dᴇᴠᴇʟᴏᴘᴇʀ   Okara, Pakistan | March 2020 – Present

As a WordPress & Web Developer at FICER, I joined a dynamic team where I contributed to the development and maintenance of multiple client websites. My role focused on using Elementor and WPBakery to build user-friendly, responsive layouts, and integrating third-party tools. I collaborated with designers and senior developers to enhance UI/UX, troubleshoot technical issues, and ensure optimal website performance.

Task/Responsibilities:

➢ Built and customized responsive WordPress websites using Elementor and WPBakery.
➢ Modified themes and plugins according to client-specific needs.
➢ Assisted in debugging issues and improving page speed and performance.
➢ Applied HTML, CSS, and PHP to design and troubleshoot functionalities.
➢ Worked on improving UI/UX and implementing design feedback.
➢ Stay informed about the latest updates and trends in WordPress development.
